# LEADERSHIP POWER LIST 2025

Leadership in 2025 was defined less by visibility and more by responsibility, the ability to influence outcomes, steward institutions, and navigate Nigeria through economic uncertainty, technological change, and global realignment. expanded opportunity, and elevated Nigeria's standing locally and internationally. Spanning public service, private enterprise, finance, technology, energy, media, and development, these leaders exercised power with consequence.

The Habitat Magazine Leadership Power List 2025 recognises individuals whose decisions shaped markets, strengthened institutions, This list is not about popularity or rhetoric. It reflects measurable influence, institutional authority, and long-term impact, leadership that mattered in 2025.
